

**VOLUNTARY OTC PRODUCT RECALL
LIMITED TO ROLAIDS® ANTACID BOTTLES IN CANADA
JNJCANADA.COM Q&A**

Q1: Why is McNeil Canada initiating this recall?

A1: In consultation with Health Canada, McNeil Consumer Healthcare (Canada), Division of Johnson & Johnson Inc., is voluntarily recalling ROLAIDS® ANTACID TABLET bottles only. The company is taking this precautionary action following a small number of consumer reports of an unusual odor associated with the product.

Q2: Which products have been recalled in Canada?

A2: In Canada, the recall extends only to ROLAIDS® ANTACID TABLET bottles. The affected product lot number for all products can be found on the side of the bottle labels.

Recalled Product Details and on to the internet at www.jnjcanada.com:
